World Orchid Association (WOA)

世界蘭花協会

The World Orchid Association (WOA) is a non-profit organisation, established in 2015 as a global platform to connect orchid growers, researchers, and distributors, in promoting and improving the development of orchid cultivation, production, distribution and marketing techniques, towards the development of the domestic and international markets.

WOA's strategic role is to also assist governments in basic policies of developing the orchid flower industry, as well as to initiate and organise Orchid Floral Shows as a platform to showcase its core objectives
